

Deploy. Learn. Yield.

Your world-class AI engineering team. On day one.
From idea to production.

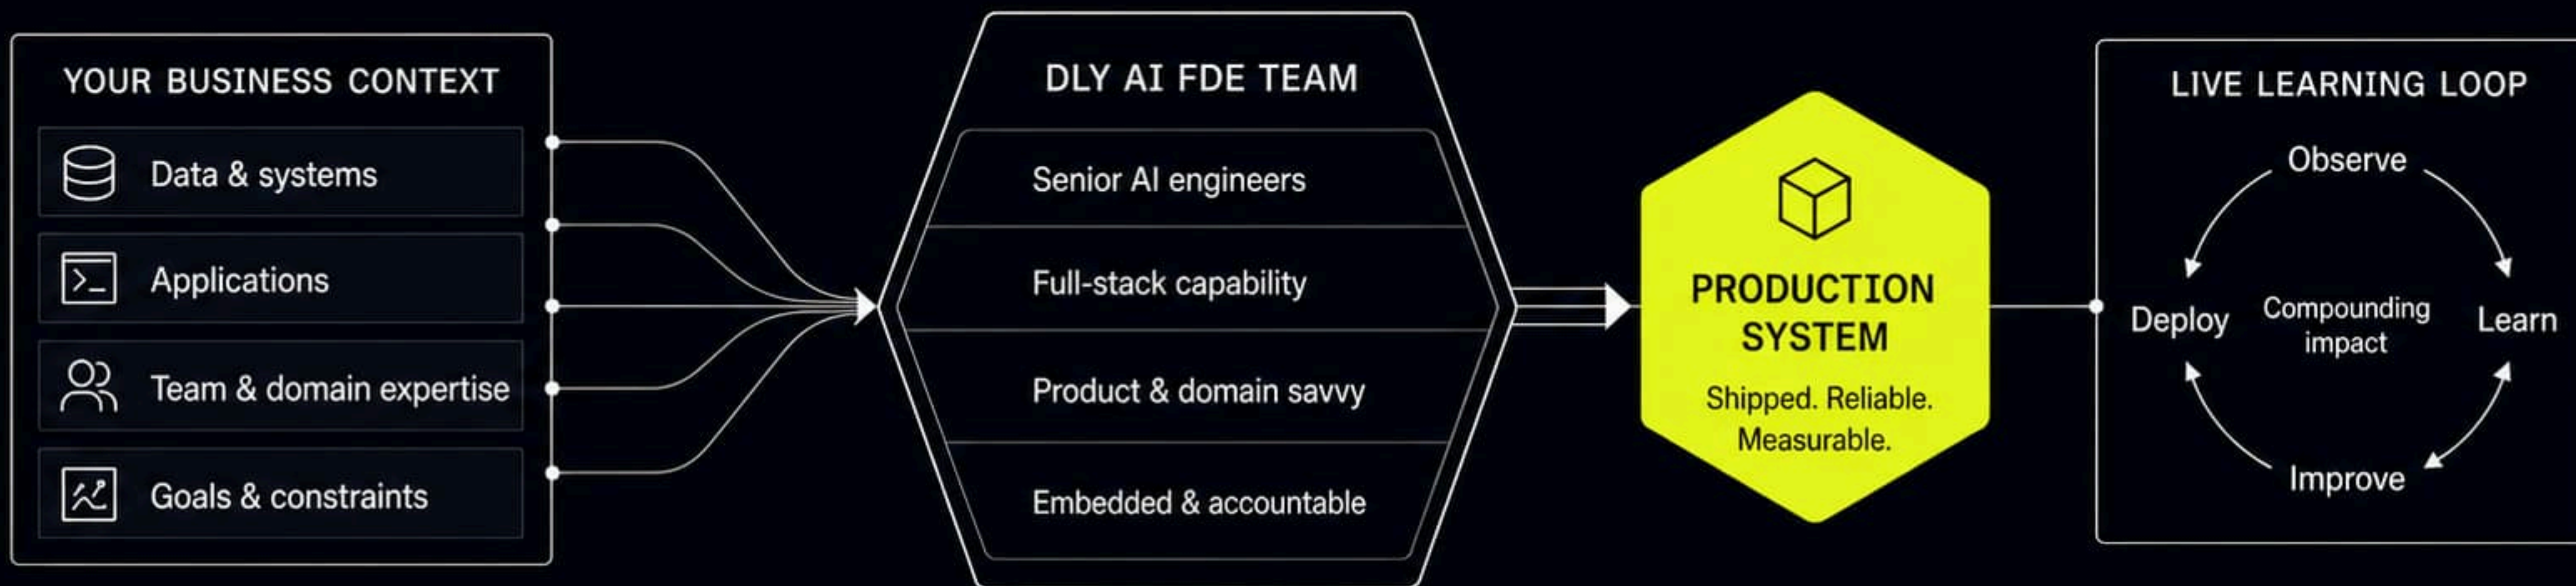

London • San Francisco

AI ambition is everywhere. Deployment is not.

Bring in the team that ships it.

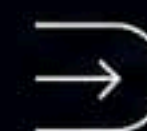

Senior AI engineers. Embedded. ●

Remote by default.
On-site when needed. ●

Inside your stack.
Owning the outcome. ●

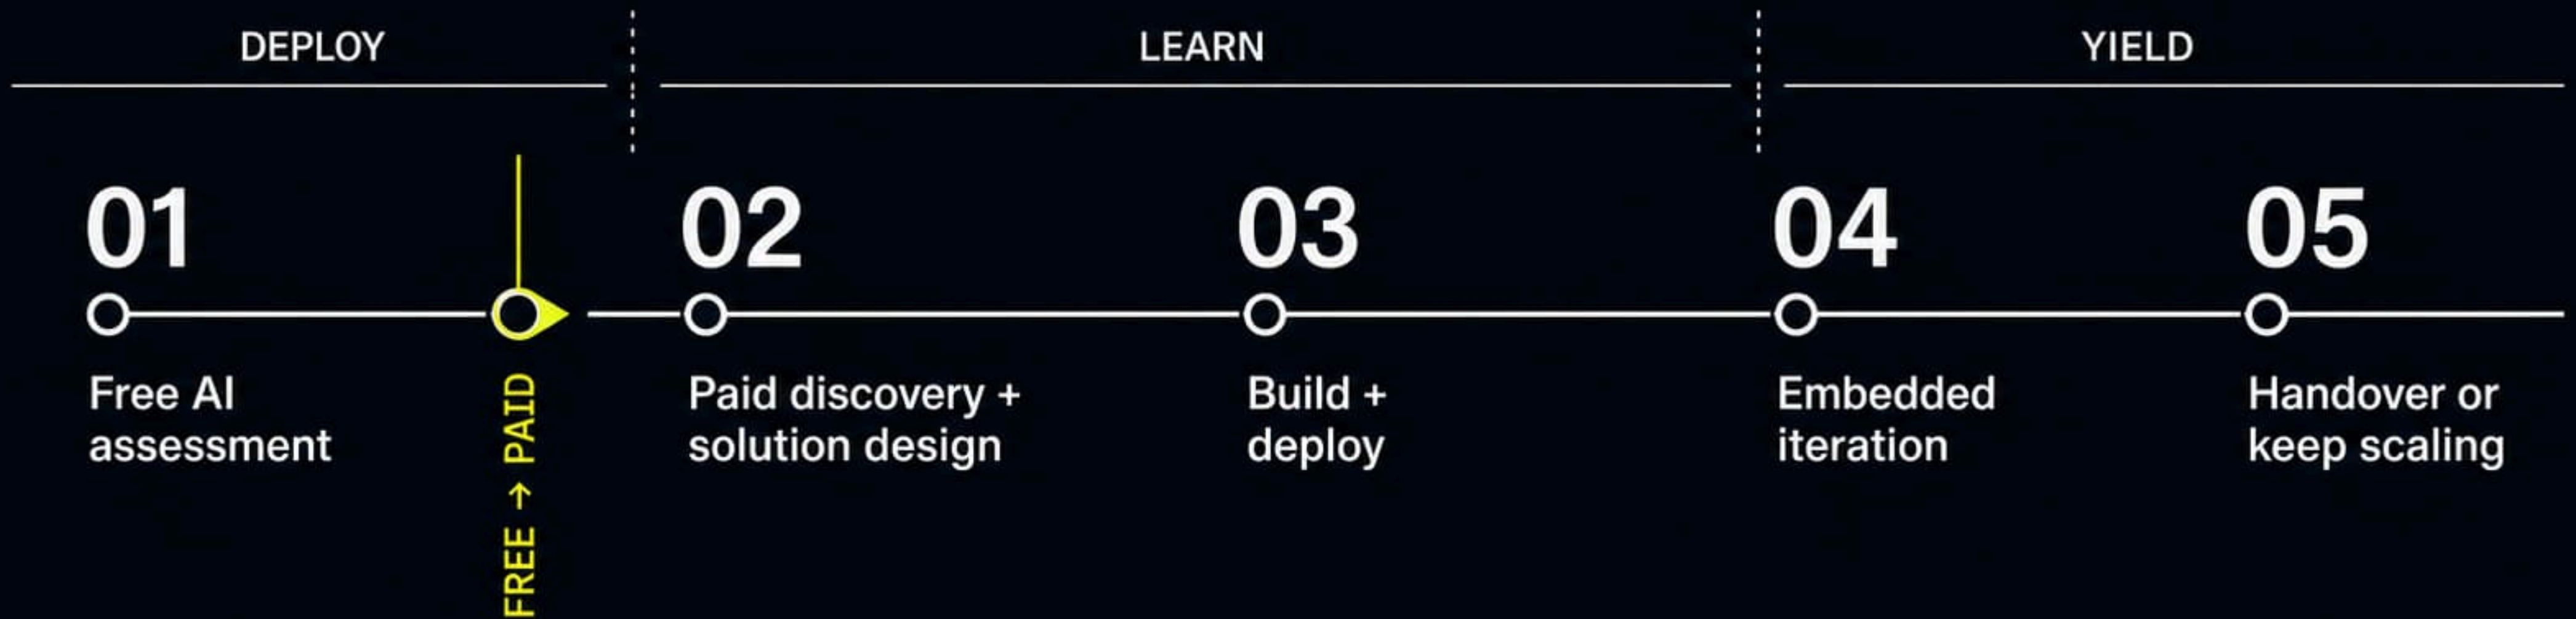

Discovery → deployment →
iteration. ●

Faster than in-house. Deeper than outsourcing.

	IN-HOUSE control, but slow and narrow.	OUTSOURCING capacity, but ticket-led.	BIG CONSULTING access, but strategy-heavy.	DLY FDE senior, embedded, end-to-end.
SPEED				
AI DEPTH				
EMBEDDED CONTEXT				
PRODUCTION OWNERSHIP				

→ DLY FDE is a distinct category.
Senior. Embedded. End-to-end.

Start with the deployment path.

→ Paid work begins with technical discovery.

Real systems. Across hard domains.
